Dear Parents/Carers

This morning we met with students to launch an exciting partnership for Princes Risborough School with World Challenge. Together we are running a trip to Tanzania in 2023.

We're proud to be partnering with World Challenge to bring this unique experience that will complement school learning, giving our students the opportunity to become true life-learners and global citizens.

All the details about this opportunity including dates, itinerary and covid secure booking terms can be found here <https://ourworldchallenge.com/em3lbs> and the applications are now open until the 4<sup>th</sup> of February.

Holly from World Challenge will be holding an online parent night on **Tuesday 18th of January at 6.00pm** for anyone who needs more information. To get the link for this please use the 'register for zoom presentation' link on the page above.

We are very excited about this trip and are looking forward to having students on board.
