Action Required: Register for School Photo Day

Dear Parents and Carers of Students in Year 12,

We are excited to announce that Fizz Photography will be capturing our school's photographs on **Wednesday 10th September 2025**.

To streamline the process and ensure secure access to your child's photos, there is an easy online registration system.

You must register **before** school photo day, so please register now by following these three simple steps:

1. Visit <https://order.fizz-photography.co.uk/> on your phone, tablet or computer
2. Enter code: **JRT2K6FU9C**
3. Enter your child's name, as it appears on the school register, and your contact details

Please note if you have already pre-registered and created an account for a previous shoot, this will not link to this shoot, pre-registration is required for every shoot.

Once registered, you'll be notified when photos are available for viewing and ordering, directly receiving your child's photo(s) via email/SMS. You can view and order photos with ease, from anywhere.

Your details are used solely for sharing your child's personal gallery securely with you, and you can learn more about Fizz Photography's data protection practices here: <https://order.fizz-photography.co.uk/privacy-policy/>

You will not be able to register on the day of the photo shoot or beyond. Parents/Carers who do not register will receive a manual proof slip in due course.

Thank you for your cooperation and support.

Yours faithfully,

Princes Risborough School.
