ePlatform Digital Library Launch

Dear Parents and Carers

Princes Risborough School is committed to providing students with unique learning opportunities, which is why we are pleased to introduce ePlatform, a digital library for students that provides free access to eBooks and Audiobooks.

The benefits of ePlatform Digital Libraries:

With ePlatform, students have **24/7 access to eBooks and Audiobooks for free**. It allows for titles to be checked out at home, over the weekend or during school breaks without worrying about losing or accruing late fees because they automatically return at the end of the loan period.

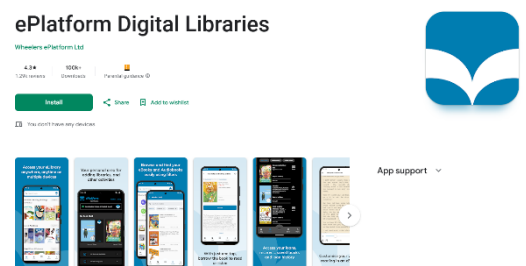

Students of all ages can benefit from ePlatform's reading and comprehension tools. A service like this can benefit struggling or reluctant readers, learning-challenged students, second-language learners, as well as gifted readers alike.

- Unique reader customisation with Settings Wizard, across all devices
- Introduce students to books above their reading level
- Help busy kids find time to read
- Professionally curated collection with age restrictions set by school staff
- Increase vocabulary and improve pronunciation and comprehension
- User friendly for all types of readers & listeners (e.g. reluctant, dyslexic, foreign language)

Over the next few months we will open a 'pop-up library' as we continue with our fundraising programme for a permanent physical library space for the Summer Term. ePlatform will run alongside this, giving students multiple opportunities to access books.

How does it work?

Visit <https://www.eplatform.co/gb/find-libraries/> to begin, or download the free mobile app from the Apple Store or Google Play Store ('ePlatform Digital Libraries'). The library is also linked on the school website via the Student pull down menu.

Students have their own unique login to access the platform:

Username: *this is your school email address*, for example
studentname@prsbucks.com

Password: Library1

If you have any trouble logging in or navigating the system, please do let me know.

We hope that all students make use of this resource and enjoy reading and listening to a wide range of fantastic books at their leisure!

Kind regards,
Julia Jarman
