Princes Risborough School Summer School 2026

Dear Parents and Carers,

To welcome our Year 7s to the school we will be running our Summer School from **Monday 17th until Wednesday 19th August from 9.00am to 2.45pm**. The summer programme will offer the chance for our new students to build their confidence, familiarise themselves with the school and get a head start for beginning secondary school with us.

The week will consist of a variety of creative, inspiring and enjoyable activities designed to support their transition into Princes Risborough School. Activities will range from code breaking to creative arts. The programme will also develop confidence and self-esteem through skills such as team building, sports and problem solving. Students will meet many new peers and teachers as well as getting to know their way around the school.

Our Summer School has been a huge success in the past, and this year more than ever we feel our students will really gain a 'head start' to their first year at PRS.
