

27th April 2026

Parent Engagement Evening - Careers and Higher Education at PRS

Dear Parents and Carers,

We would like to invite you all to our first Parent Engagement Evening to discuss Careers and Post 16/18 pathways. At PRS we have been building our Careers Programme across all key stages and would like to share with you the opportunities your children will be offered while at PRS and what they can do now to raise their future aspirations.

The evening will take place at Princes Risborough School on **Thursday 21st May**. The evening will be broken down to two parts. We welcome and encourage parents/carers from Key Stage 4 to where possible stay for the Key Stage 5 talks. We welcome both parents/carers and students to attend.

Key Stage 4 - 5pm - 5:30

- Careers Delivery at PRS & Work Experience Update - Mrs Redrup
- Apprenticeship Options - Ercol (Roy Graves & Alumni - Sarah Haydon)

Key Stage 5 - 5:45 - 6:15pm

- Introduction to University - Oxford Brookes
- Alumni Speaks - Charlotte Moore (Degree Apprenticeship - Police Constable), Annie Wright (Biomedical BSc at Exeter University)

This will be a great opportunity for parents and carers to hear about how Apprenticeships have developed and how you can support your child in finding more about these opportunities. Oxford Brookes University will be giving you an insight into the University application process and what your child can do now to support them with this. We will also be sharing how 'Unifrog' can help you and your child in researching career options. There will also be a chance for parents of Year 12 students to speak to the Sixth Form Team regarding the UCAS process for 2026.

If you are able to attend please complete the google form and [Click Here to confirm attendance](#) by Thursday 8th May.

If you have any questions, contact Mrs Redrup (lredrup@prsbucks.com)

Yours faithfully,

Mrs L Redrup
PRS Careers Coordinator and IAT Careers Lead
