Silver Duke of Edinburgh's Award 2025/26

Dear Parents and Carers,

We are pleased to confirm that PRS is launching the Silver Duke of Edinburgh's Award (DofE) for Year 10 this half term.

Why do DofE?

DofE helps young people discover what they're capable of. They make new friends, follow their interests, learn new skills and contribute to the community. A DofE Award is internationally recognised and valued by employers and universities. It is non-competitive and helps every student build confidence, whatever their starting point.

How it works

To achieve their Silver Award, students complete four sections: Volunteering, Physical, Skills, and an Expedition. The programme lasts at least 6 months for students who already hold Bronze, or 12 months for direct entrants (no Bronze). Students choose their own activities for Volunteering, Physical and Skills; most existing hobbies can count, or they can try something new. As a guide, activities will usually involve about one hour a week.

About the expedition

For the Expedition section, PRS works with the School of Outdoors, an experienced Approved Activity Provider. Students train, plan and work in small teams, supported and supervised by PRS and School of Outdoors staff throughout. The outline for this section is: a school-based training day in February 2026; a practice expedition of two days and one night in Henley-on-Thames in March 2026; and a qualifying expedition of four days and three nights in the New Forest in June 2026. Students must attend each stage of the organised training to take part. Activities will include both weekend and mid-week dates. If you anticipate a clash, please contact me.

Costs and signing up

The initial cost of participating in DofE is **£40 per student**. This non-refundable fee covers the national DofE participation fee, your child's eDofE account, Welcome Pack, DofE Discount Card and our administration costs. The expedition cost is **£464**. This covers School of Outdoors staff (instructors and assessors), tents, stoves and gas, maps and compasses, campsite fees, travel to and from the practice and qualifying expeditions, and risk assessments. Personal kit is not included. Please note that places on the Silver DofE programme are limited and will be allocated on a first-come, first-served basis. If we are unable to offer a place, the £40 enrolment fee will be refunded in full, and your child will be added to a waiting list.

Next steps

If your child would like to take part, please complete the attached enrolment form either digitally (email to jsaunders@prsbucks.com) or on paper (handed to Mr Saunders, H12), along with the initial enrolment fee (£40) via Arbor; paper copies of the form are available from H12 if needed. The deadline for initial enrolment is **Wednesday 5th November 2025**.

If your child is interested in taking part but the cost is prohibitive, please contact me so we can explore what support may be available.

Many thanks for your support. If you would like any further information or have any questions or concerns, please do get in touch. We look forward to helping students achieve through their DofE.

Yours faithfully,

James Saunders
