

1st December 2025

Sixth Form Taster Day for PRS Year 11 Students - Thursday 4th December

Dear Students, Parents and Carers,

On **Thursday 4th December** we will be running our Sixth Form Taster Day for Year 11 students. The purpose of the day will be to allow students the chance to experience the life of a Princes Risborough School Sixth Former for the day. As a school we have invested a considerable amount into training and development of new courses and this year we are offering 30 different options.

Year 11 students have had the opportunity to choose subjects (via Applicaa) to experience on Taster Day. During the Taster Day students will then spend a lesson in four of the subjects that they choose. The lessons will be taught by subject specialists in the style of Sixth Form teaching and will include an insight into the subject content that is studied at Sixth Form. In addition, students will have the opportunity to ask questions and hear more about our co-curricular programme including; EPQ, DoE and Volunteering.

Students will not be required to wear school uniform, but will be expected to dress appropriately and responsibly. Students will be able to have their phones out in the Sixth Form Centre (only) but will **not** be permitted to leave the school site.

We hope that, as last year, our Year 11 students will make the most of the opportunities afforded by the Taster Day and will be as inquisitive as they can about the life of a Sixth Former. Our aim is to ensure that all students feel better informed about life in the Sixth Form. Should you require any further information or to discuss any issues relating to the Sixth Form application process, please contact one of the team via email: sixthformteam@prsbucks.com.

Finally, a reminder that the **PRS Sixth Form Application Form can be found [here](#)** and the deadline for applications will close on **Tuesday 27th January 2026**. If you require more information about the subjects we are offering please follow the link below to information on our website.
