

10th October 2025

Year 11 PE and Revision

Dear Parents and Carers,

As a department, our intent is to 'Inspire and develop competent, knowledgeable lifelong learners that lead happy and healthy lifestyles'. To help achieve this I would like to take the opportunity to explain how your child's PE lessons will run in Year 11 during the exam periods.

Your child will still have their normal timetabled PE lessons in Year 11. Each half-term during their mocks there will be three different sports on offer for your child, during their PE lesson they will get to choose which sport they would like to do. The aim of these PE lessons is to develop their confidence, independence and their curiosity to try new experiences in the world of sport and PE whilst having enjoyment with their peers.

After October half-term during the mock exams your child will have a revision option. However, this revision option will only apply to your child if they have their chromebook with them or revision books to revise from. The reason we offer this is because we are aware their exams will be approaching and there are coursework deadlines. We are happy to facilitate a quiet zone for them to do this but only if they have the correct resources. If your child does not have a chromebook or revision books with them they will be expected to take part in PE. If they do not have their PE kit this will result in a PE detention after school on a Monday. After the exam period has finished all students will be expected to take part in PE until the February mocks.

Your child should still be wearing their PRS PE kit, but we understand as it is their final year you may not want to purchase another kit. With this being said, we will allow plain black sport kits to be worn. If for some reason your child cannot take part, we require an email or phone call from home explaining this.

If you have any questions or concerns please do not hesitate to contact me.

Yours faithfully,

Miss Morton
Head of PE
