## Year 11 PE and Revision

Dear Parents and Carers,

As a department, our intent is to 'Inspire and develop competent, knowledgeable lifelong learners that lead happy and healthy lifestyles'. To help achieve this I would like to take the opportunity to remind you how your child's PE lessons will run during the exam period.

Your child will still have their normal timetabled PE lessons in Year 11. Each half-term there will be three different sports on offer for your child, during their PE lesson they will get to choose which sport they would like to do. The aim of these PE lessons is to develop their confidence, independence and their curiosity to try new experiences in the world of sport and PE whilst having enjoyment with their peers.

As a supportive measure at this busy time of year, we will now offer opportunities from **Monday 16th March** for revision in preparation for their summer exams in addition to a variety of sports. However, all students must either revise or take part in PE. If they take part in PE they must bring plain black PE kit or wear their PRS branded PE kit. If they are revising they must bring the correct tools and equipment for this such as their chrome book and exercise books. As these are still timetabled lessons, if your child does not have the required equipment/kit they will be issued with a centralised PE detention.

If you have any questions or concerns please do not hesitate to contact me.

Yours faithfully,

Miss Morton

Head of PE
