

8<sup>th</sup> September 2025

## Thursday 11th September - Year 11 Supporting Success Evening How to support your child in their subjects this year.

Dear Parents & Carers of Year 11,

A reminder about our Supporting Success Evening on Thursday and some further information. The aim of the evening is to inform you of the expectations of the GCSE & BTEC subjects and suggest ways you can support your child's Year 11 journey, so it will be successful.

- During the evening there is the opportunity to attend *up to* seven short 10-minute presentations about how you can support your child in the different subjects they are studying in Year 11. The evening will allow you to attend **all or some** of your child's subject choices, depending on your preference.
- In addition there will be a 10-minute presentation in the hall which aims to give you an **overview of the year** and to highlight general information and expectations. **The same presentation** will be repeated twice during the evening.
- There will be a 5-minute transition time in between each presentation.
- In order to make the evening as flexible as possible for parents, each subject session will be **repeated** continually over the evening. Option subjects will deliver presentations from **4:15pm to 5:15pm**. English, Maths and Science will deliver their presentations between **5:15pm and 6:15pm**. Representatives from the SEND department will be in M13a until 5.30pm

*This evening is for parents & guardians **only**, therefore we do not need or expect to see Year 11 students attending unless by prior arrangement. In this instance, we feel that students' time would be better spent completing homework or revision in preparation for the mock exams which start on Monday 3rd November.*

### Timings:

1615	Year 11 presentation SEND in M13a	Option subject talk Art & Graphics, IT, Computer Science, French, Spanish, Business, Sport, Textiles, Product, Food, Dance, Drama, Music, History, Geography
