

12th February 2026

Dear Year 11 Students and Parents and Carers,

Congratulations to all students on getting through a gruelling 2 weeks of **mock exams**. Results for these will be given out to students in lesson time but we will also send the information home after the half term break once results have been entered into Pupil Progress.

Any student who **missed any exam** should come to the main hall on Friday for catch ups; invigilators will let you know where you will be seated.

We'd like to thank students for their cooperation in moving the exams to the main hall this week & wish everyone a restful half term.

Attendance: Following a stunning start last week with a 95.8% high, Year 11 has plummeted to 85%, well below the national average of 90% for last week. Our focus on attendance is not to make anyone feel guilty (we understand that sometimes students are so ill they can't come in), but simply to high-light the issue, so that if you are just feeling a bit under the weather, you push yourself to make it into school so that you don't miss out on learning. The statistics show it makes a difference!
