

18th March 2026

Dear Year 11 Students, Parents and Carers,

A reminder that we have **Year 11 Progress Evening** tomorrow between 4-7pm.

Individual exam timetables will be sent out before the Easter holidays but please note, these are **PROVISIONAL** and will not yet have seats allocated to students. At this stage not all tiers have been confirmed so there may also be some changes for some students regarding this. All exam information is also on the Year 11 Google Classroom.

Please note - for any students sitting additional **Modern Language Exams** (i.e. sitting MFL exams in addition to normal timetabled exams) the speaking tests are likely to be timetabled the week commencing 27th April. All other MFL speaking exams start the week of 5th May.

Study Leave

Study leave starts on Monday 1st June. We only expect to see Year 11 students in exams, as their lessons will no longer be running from that date. Up to this point we run all lessons and expect students to attend unless they have an exam. On Friday 24th May we will run our Year 11 Celebration Day - details of this will follow.

English Language exam results

Many of these are being sent back for remarking but we will update all students and parents at Progress Evening. As we mentioned in the last update, the English team felt confident in making teacher predictions for the summer.

We look forward to seeing you all on Thursday,

Yours faithfully,

Mrs C Audemard
Deputy Head of School

Mrs S Barnes
Head of Year

Mrs E Voss & Miss S Chambers
Raising Achievement Officers
