### Year 7 Enrichment Week 2026

Dear Parents and Carers,

We are writing to inform you of an important update regarding the Year 7 Grittleton residential trip 13th to 15th July.

Unfortunately, due to **unforeseen events and additional costs** beyond our initial planning, the total cost of the trip has increased. The new confirmed total cost of the residential experience is **£342**.

We fully appreciate that this change may affect family budgets, and we are committed to supporting parents/carers as far as possible. To help manage this increase, we are extending the payment plan by **one additional month**. This means that the **final installment will now be £56**, and this amount will be due for payment **by 31st May 2026**.

We hope that this extended payment plan will provide you with additional flexibility. If you have any concerns regarding payments or would like to discuss further support options, please contact the school office in the first instance and they can ensure your communication is directed to the appropriate person.

In addition, Insignis Academy Trust has an established [Welfare Fund](#) to help support overcoming "barriers to learning" for those who may need assistance.

Thank you for your understanding and continued support. We are very much looking forward to providing the students with a memorable and enriching experience at Grittleton.

Yours faithfully,

Mr Miles  
Assistant Headteacher
