Year 8 Take your Child to Work Day - Tuesday 14th July 2026

Dear Parents and Carers,

Thank you for supporting the school with our PRS 'Take your Child to Work Day'. Your child will be sent a work experience journal to complete as part of their day via the Google Classroom. This includes a section to be completed before, during and after the activity, they will be supported to complete this on Monday 13th July during Enrichment Week.

If you are yet to confirm your child has a placement there is still time. Please click on the following link: [Click Here to Complete Form](#). Those who have not got a placement will be expected to be in school on Tuesday 14th July.

This is a reminder that students can undertake tasks that would be given to a junior employee and can shadow other workers. As the placement is only for one day, the student can be classed as a visitor to the workplace to observe and take part in working practices that they would not normally come into contact with on a regular school day. If you, or a trusted adult, work from home this would also be a suitable work experience. Whilst on placement, you would be agreeing to take full responsibility for your child's health & safety and safeguarding needs. If your child is attending a workplace, you will need to ensure that they will be covered under the workplace insurance in case of an accident.

If you have any questions please feel free to contact me on the details below.

Yours faithfully,

Mrs L Redrup
