

5th December 2025

Year 9 End of Term Maths Assessments

Dear Parents and Carers,

I hope you are all keeping well, this letter is to keep you informed about the upcoming end of term assessments in Maths.

Paper 1 – Non Calculator - Monday 15th December 2025

Paper 2 – Calculator – Tuesday 16th December 2025

To support your child's preparation, the topic reflection sheet can be found on their Google Classroom. This includes links to revision resources for each topic. Please take a moment to review it with your child and ensure they allocate dedicated time for effective revision. A positive and responsible approach to this preparation will undoubtedly contribute to their success.

These assessments will take place during their regular maths lesson and it is imperative that students come to class fully equipped with all necessary equipment including pen, pencil, ruler, rubber and a calculator. Having the right equipment ensures they can fully engage with the assessment and demonstrate their understanding of the topics covered.

Any students that are entitled to extra time, will be given the extra time in these assessments.

If you have any concerns or questions regarding the upcoming assessments, please feel free to reach out to your child's Maths teacher. We appreciate your ongoing support in fostering a positive and successful learning environment for your child.

Yours faithfully,

Maths Department
