

9th December 2025

Year 9 Progress Evening – Thursday 5th February 2026

Dear Students, Parents and Carers,

At Princes Risborough School our motto is to “Aspire and Achieve”. To be successful we need students, parents and the school to work together and demonstrate our values of positivity and responsibility. I would like to invite you to our Progress Evening, which will be held in person at the school, on **Thursday 5th February 2026, 4.00-7.00pm**. We encourage all our students to attend Progress Evenings with their parents/carers.

This is an important evening and provides you with an opportunity to discuss progress with our subject teachers.' There will also be pastoral staff present if you have any wider concerns about your child such as around their [mental health](#), [online safety](#) or [future aspirations](#).

The school has an easy-to-use online appointment booking system, which allows you to choose your own appointment times with your child's teachers. When booking appointments manually, you may wish to add gaps between appointments to allow time to move between the various rooms. When you have made your appointment you will receive an email confirming the time. Appointments are made on a 'first come, first served basis'. There is a facility to request a call or email for a discussion or written feedback should you be unable to book an appointment with your child(s) teacher.

Parents of SEND Students in Year 9 have the opportunity to make an appointment with Ms Geddes and Mrs Williams to discuss progress or support for the academic year. This is an optional appointment, as you will have contact with the SEND team throughout the year.

Parents of EAL (English as an Additional Language) students in Year 9 also have the opportunity to make an appointment with Mrs Garea to discuss their child's progress and life at PRS as part of the EAL community. As your child is studying in a language that is different from their home language, they may face unique challenges. This appointment will help you understand how best to support them and how you can continue to encourage their progress.

Please note that any appointments made with me, Ms Sriranjana should relate specifically to **Religion & Philosophy (R&P)**, including your child's progress in the subject and their suitability for GCSE. As Head of Year 9, I recognise that parents may wish to discuss pastoral, behavioural or wider academic matters. Should you require a conversation of this nature, I kindly ask that you contact me via email so that a separate telephone call, online meeting or in-person appointment can be arranged for an alternative date.

Bookings must be made by clicking on this link to [School Cloud](#). **You will be able to book appointments from Monday 26th January at 6:00pm** and this will close on 5th February at 3:00pm. Should you experience any issues logging in please contact the school reception.

Thank you for your continued support, we are looking forward to seeing you all.

Yours faithfully,

Ms Sriranjana
Head of Year 9
