## Year 9 Timetables

Dear Students, Parents & Carers of Year 9,

You may have noticed changes to some of the Technology, Performing Arts and Art subjects on the timetable in Arbor. We are still working on these and want to warn you that they may not be finalised until Monday so things may well change over the weekend.

We are working hard to ensure that students do the subjects that they have asked for, but this isn't always possible. Please be assured that your choice of GCSE subjects are not dependent on whether you studied these in Year 9.

There is always some movement in the first couple of weeks, so if you have requested a change we will look at these early next week. Thank you for your patience.

Yours faithfully,

Mrs C Audemard  
Deputy Head of School
