Dear Year 6 Parents/Carers

We know how difficult the decision is to decide which secondary school to send your child to. Add to that living in Buckinghamshire and having the option to take 11+ test or not, only complicates the matter further. We are here to help alleviate this situation for you and offer you a unique opportunity unparalleled in the county.

Insignis Academy Trust's is made up of two schools Sir Henry Floyd Grammar School and Princes Risborough School. The purpose of Insignis Academy Trust is to create a significant enhancement to the education of students locally and deliver an equally quality experience whichever school you attend, whether you score 121+ on your 11+ test or not.

As two schools working closely together we are able to offer a greater experience and opportunity to all our students by sharing outstanding practice in all aspects of school life from teaching and learning, assessment, and student enrichment to name but a few examples.

As Headteachers we meet regularly to share our school development and challenge each other to relentlessly improve the standards in both schools. This collaborative approach is unique in Buckinghamshire and is proving to make a significant difference in both schools. Here is a bit more information about each school:

Sir Henry Floyd Grammar School is an Outstanding grammar school in the heart of Aylesbury. Please follow this link to our virtual open event and let our students tell you more about us: <https://www.sirhenryfloyd.co.uk/about-us/open-events-2/>

Please check out our website regarding tours (evenings only) and interactive Q&A sessions.

Princes Risborough School motto is to "Aspire and Achieve" and expectations are that all our students and staff are Positive, Responsible and Successful. We are an 11-18 school with just over 900 students and a thriving Sixth Form. We have seen significant school improvement in the past couple of years with a new leadership team, high quality teaching and learning and excellent academic outcomes.

Our website address is:

As we are not able to offer you physical open events this year please visit our school websites to engage in the variety of virtual open activities, videos and information to give you a flavour of life in our schools.

We truly believe we have everything your child needs to excel as they take the next big step in their educational journey. Please do not hesitate to contact us on the details below with any questions or requests to engage in our Open Events.

Yours sincerely

Jeanette Cochrane & Simon Baker
