

*Aspire & Achieve*

Dear Parents and Carers

## Book Loans

Princes Risborough School is very fortunate to have a well-resourced library. We aim to provide a wide range of books to cover all aspects of the school curriculum, as well as a large selection of books to read for pleasure. The library is also a pleasant place to work during the day and to relax at break times by reading silently.

We hope that all students will make good use of the library. A maximum of two books may be borrowed at any one time, for an initial period of two weeks. They may be renewed for a further two weeks if necessary, by bringing in the book for re-stamping. It is the student's responsibility to return the books on the date that is stamped inside.

We ask you to help by encouraging your child to take good care of the books they borrow and by ensuring that they return them on time. Students will receive reminders via their register and emails home to return the books. Should a book or other resources be lost or damaged because of neglect by your child we will ask you for the replacement cost.
