

Dear Parent/Carers,

We would like to extend a warm welcome to you and your child. We are delighted that your child will be joining Princes Risborough School in September 2021. This is a very exciting time for our school and we are confident that your child will be able to benefit from all the exciting opportunities available during their secondary education.

Princes Risborough School joined the Insignis multi-academy trust in 2018 and Mr Simon Baker became Headteacher in 2019. Since this time, whilst we continue to be proud of our supportive culture, we have been delighted with the progress that the school is making and the day-to-day improvements which are taking place. We are very proud of our school and we believe that it offers significant and exciting opportunities to all of our students, from those who join us aged eleven at the beginning of Year 7 to our eighteen year olds about to embark upon the next stage of their education at university.

As we move out of the current restrictions enforced upon us by the Covid-19 pandemic, we are hoping to be able to offer some face-to-face transition for students in the summer term. Keeping all students safe is our primary concern so we will be following government advice on this. More than ever before, we understand that the transition process from primary to secondary education can be a daunting experience at first, but we are confident that we can support you and your child in making a smooth transition to secondary education. We want to reassure you that we will assist you in any way we can to ensure all students arrive at Princes Risborough School excited and fully informed about the next chapter of their education.

We will be in contact soon with further information about our transition plans for the summer term.

Inevitably, many parents will have questions about this crucial next step in your child's education. If you do, please contact office@prsbucks.com and your question will be directed to the most appropriate member of our transition team to provide you with an answer as quickly as possible.

We look forward to meeting you all soon.

Yours Sincerely,

Mr Durose
